

# Introduction

You're a very talented young man, with your own clever thoughts and ideas. *Do you need a manager?* **Yes, Yes,** without the oops! You're a very talented young man, with your own clever thoughts and ideas. *Do you need a manager?* Eventually, you do plan to have dinosaurs on your dinosaur tour, right?

Checkmate... Remind me to thank John for a lovely weekend. Must go faster. My dad once told me, laugh and the world laughs with you, Cry, and I'll give you something to cry about you little bastard! Yeah, but your scientists were so preoccupied with whether or not they could, they didn't stop to think if they should.

## Harmonic Analysis for Scale Selection and Chord Substitution

**Harmonic Analysis** is the understanding of the functional sequence of chords. It is the process used to analyze the harmonic structure of a progression, song or composition. This analysis is then used to make scale selections for improvisation and chord substitution.
